Land & topography

Rolling Derbyshire countryside with wooded areas and game covers placed on high spots over the estate allow the shoot to show some cracking sport. Exciting banks and mature woods ensure the birds fly high. Some brilliant partridge drives over gullies ensure you are kept on your toes from game cropped hills.

Hospitality

We encourage all guns to make the most of the day and the company so our breaks are relaxed not rushed allowing all to enjoy themselves. The day starts with bacon rolls and coffee. Ingredients for elevenses are all locally sourced with delicious Pork Pies and Scotch Eggs being the order of the day. Followed by a glass of Fizz sets you ready for the next drive. All this to be served in the field. A complementary two course meal is served in the middle of the day. Tea coffee and a selection of cake is served at the end of the day.
